

How to view Group Assessment Summary Reports

The Group Assessment Summary Report uses a bar chart to summarise the performance of the Learners who completed the assessment and allows the Organisation Administrator and Educators to see at a glance the distribution of achievement across the Group.

1. Log into the Assessment Tool with your ESAA username and password:

2. From the Home tab, select 'Report' next to the name of the relevant assessment under either the 'Current Online Assessments' or 'Ready to Mark Assessments' headings:

4. The Group Assessment Summary Report allows you to filter values that it displays after you have generated it. The filters of Gender, Ethnicity and English as a first language can be applied:

Filter Results

Gender: Ethnicity: English First Language?:

Note: You can sort the Learners list by Name, Gender Ethnicity, Total Scale Score, or Progression Step by selecting the up or down arrows next to the column headings.

From the Assessment Summary Report you can also view an individual Learner's results by selecting the graph symbol  next to their name.
